

Immediate Benefits of an HSA

Financial savings at fees you can afford —

You can pay for day-to-day medical expenses with pre-tax dollars. Additionally, the cost between a high deductible plan and your current health insurance policy can be substantial.

Long term savings —

Opening an account now will allow you to take advantage of the time value of money as you accumulate funds towards your long-term savings objectives.

Account ownership —

You own your account! You can use it, invest it, save it and move it as you see fit.

How do I access dollars in my HSA?

DEBIT CARD: Use your debit card.

CHECKING: Write a check.

PAY YOURSELF: Pay with cash or your own personal checking account, and reimburse yourself from your HSA account by writing a check.

How do I open my HSA?

- 1) Complete a two-page HSA Application form. Obtain one at **HSAresources.com**.
- 2) Print and sign the application.
- 3) Send your completed and signed application to the address below along with your check.
